The emblem signifies the possibility of flourishing of the inherent talent of the rural folk through education. The enlightenment is symbolized by the blooming lotus while the surrounding pods of corn symbolize the final outcome of education.

MESSAGE FROM THE PRINCIPAL

It is my proud privilege to welcome our dear students to this premier institution of higher learning under Gauhati University. I, on behalf of the Sonapur College fraternity, express my gratitude to the respected parents and guardians for trusting the future of your wards with us.

Sonapur College, a temple of higher education was established on 2nd August 1991 with a mission to impart higher education. It is a result of the foresightedness of the people of the locality who entrusted the responsibility of cultivating an environment for intellectual, ethical, moral and physical upliftment on the shoulders of the college. Sonapur College is made more vibrant by the scenic beauty and the unique culture of the various tribes that have lived alongside each other since time immemorial. Shouldering the responsibility of making higher education accessible and inclusive for all, the college fraternity has always been motivated by progressive and forward thinking. The college has always placed equal stress on its societal responsibilities to be able to lead by example for its students. Presently, apart from Higher Secondary in Arts and Commerce, we are imparting major courses in 13 disciplines leading to B.A and B.Com. The college caters to the need of a section of students intending to study vocational course through Information Technology. The college is also running a study center of Krishna Kanta Handiqui State Open University (KKHSOU) and has been offering courses leading to B.A. degree. Addition of Post graduate courses in Assamese, English and Geography to the existing curriculum has enhanced the efficacy of the institute.

Considering the importance of skill development amongst the youths, the UGC has approved Bachelor of Vocation (B.Voc) Programmes on Retail Management & IT, Theatre & Stage Craft and Tourism & Travel Management under the DeenDayalUpadhyay Centre for Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) scheme. In addition to NAAC Accreditation the National Institutional Ranking Framework (NIRF), constituted by the MHRD, Govt. of India has ranked Sonapur College at the Rank Band: 101 to 150 (the only college from Assam at this rank band) at National Level in 2018 and India Today ranked this college at 136 position among Arts colleges in the country in 2022. The college has continuously been participating in NIRF and India Today's "The best colleges of India" survey.

The facilities like multi-gym, indoor stadium, etc. are open to students for their physical growth. The interested students can participate in nation building activities through their participation in 50 Assam NCC Airwings, 1st NCC Assam Btln, NSS. A number of yearlong co-curricular activities are conducted for holistic growth of the students. The approach for building the democratic consciousness among the students is made through the Student's Union Election with a non-political slant.

We strictly follow the Academic Calendar of the affiliating university and the other events as mentioned in the prospectus. Further, the students will be subjected to punishment and disciplinary action against any kind of offence, indiscipline and unsocial behavior including their failure in acquiring the required attendance in class room instructions. In pursuance of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013 and the Rules framed there under, the Institute adopts procedures for determining complaints filed to the Internal Complaints Committee (ICC) constituted under the Act.

It allows a student to study cross-discipline subjects along with the primary course where the student is enrolled into. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and together with it, implement a uniform grading system.

Gauhati University has adopted the CBCS system in the under graduate level in the academic session 2019 – 2020.
