Vision

To strengthen the communities with the spirit of Higher Education by upholding the ethos of intellectuality and value orientations for a sustainable society.

Mission of the College

Sonapur College was established with a mission to impart higher education among the students of the locality and to create an environment for the intellectual, ethical, moral and physical upliftment of the people, belonging to tribal communities, by preserving their heritages and exposing the students to modern technologies to make them aware of their rights and duties for the betterment of the society.

Goals and Objectives

- To impart education for the attainment of a Degree in the streams of Arts, Science and Commerce.
- To encourage the students for participation in the extra-curricular activities like games and sports, cultural programmes etc.
- To encourage the students for spiritual development and to train them in civil responsibility, healthy living condition etc.
- To serve the rural people through extension education by the application of scientific knowledge and technique in solving rural problems.
- To create an environment of the development for human virtues among the students like spirit of co-operation, discipline, love & feeling of brotherhood.
- To undertake programmes for preservation and development of the tribal language and culture that constitutes a major component of the population of the locality.
- To spread the feeling of national integration among the new generation.

College Emblem

The emblem consists of an open book with a blooming lotus at the top surrounded by pods of corn. A Sanskrit incantation Tomaso Ma Jyotirgamaya meaning 'to lead from darkness to light' is written on the pages of the open book.

The emblem signifies the possibility of flourishing of the inherent talent of the rural folk through education. The enlightenment is symbolized by the blooming lotus while the surrounding pods of corn symbolize the final outcome of education.

Sonapur College: An Overview

Sonapur College has been accredited with NAAC A+ grade in its 3rd cycle of assessment. Established in the year 1991 with the efforts of a group of socially committed individuals, Sonapur College has been imparting value-based education. The College endeavours to build an atmosphere for pursuit of academic excellence along with the holistic development of its student community. Students of the college enjoy an easy access to faculty guidance, full staff support, and constant monitoring and supervision at every level of their achieving excellence in their academic pursuits. The college provides students with a range of avenues and opportunities for self-expression, initiative and experimentation in both the intellectual and co-curricular fields.

Located primarily in a rural setting, the college has chosen to make higher education accessible to the predominant tribal communities while inculcating the importance of heritage conservation. This responsibility is one of the primary concerns of the college which is reflected in the mission of the college. It has earned considerable appreciation for upholding the ideals of academic excellence, sense of discipline and high moral and ethical values, for developing an integrated personality. The institution considers its 'duty to nurture its students as sensitive people with strong values who will leverage their individual achievements to strengthen the fabric of the community, the nation and the planet'.

The college provides ample opportunities to the students for holistic development by engaging them in academic as well as co-curricular activities. Apart from striving for academic excellence, the college also places importance on the fulfilment of its societal responsibilities. In order to achieve this objective, the college plans and executes a number of extension activities throughout the year apart from engaging in community related programmes. The college firmly believes that a proper and conducive social environment is one of the prerequisites for creating an academically sound environment.

Perceiving the importance of skilling the upcoming generation, the college has been able to introduce B.Voc courses under DDU KAUSHAL Kendra. The College also takes the initiative to conduct short term certificate courses on various life skills to add value to the conventional learning. The College has also been selected as a skill hub by the UGC.

The college, powered with a dedicated teaching and administrative staff, along with its stakeholders have always put in a concerted effort towards fulfilling its mission. Sonapur College is immensely proud of its students, the flag-bearers of its ideals who have achieved academic excellence thereby helping the institution in realizing its goal. The college hopes that it will continue receiving support and co-operation like always from all its stakeholders.

Four Years Undergraduate Programme (FYUGP)

The FYUGP of Gauhati University is as per the UGC's curricular framework, published in November 2022.

- Duration: The FYUGP is a 4 year degree programme.
- Exits and Entries: In the FYUGP, one has to choice to exit from the programme thrice, i.e. after 1 years, 2 years and 3 years. If one exits the programme after one year, one gets a certificate. On exit after 2 years, one gets a diploma and if one exits after 3 years, one gets a Bachelor's Degree. Finally, if a student completes a whole 4 years, one gets a Bachelor's Degree with Honours.

Core Courses

- The Core Courses have to be chosen from among a plethora of subjects offered. In case of a Bachelor's Degree in a stream, the components of the Core Courses are Major and/or Minors, while in case of a Bachelor's Degree in a Discipline, there are no majors and minors.
- In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year.
- For a majority of students, the Core Course will consist of one Major and two Minors.

Common Courses

The Common Courses are to be studied by all students alike and altogether they carry a total credit of 36 over a three year period. These Courses are further divided in five sub-categories:

- **Multi-disciplinary courses:**

These are 3 - credit courses spanning over five different groups of subjects –

Group A - Natural Science

Group D - Humanities & Social Science

Group B - Mathematical Science

Group E - Media & Information

Group C - Commerce

A student CANNOT choose a multidisciplinary subject, if s/he has already studied that subject during Class XI-XII. Also the subject of these courses MUST not be among the Core Subjects the student has already chosen.

- **Ability Enhancement Courses (AEC) :**

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two papers of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. Both these courses are further divided into two 2-credit courses each. The English Communication course is to be completed during Semesters 1-2 and the MIL course is to be completed during Semesters 5-6.

- **Skill Enhancement Courses (SEC):**

These are various skill courses with total credit allocation of 9. All students need to complete three skill courses, each with 3 credits during Semesters 1-3.

- **Value Added Courses (VAC):**

The VAC courses will come from four sub groups — (i) Understanding India, (ii) Environmental Science, (iii) Digital and Technological Solutions, and (iv) Health & Wellness, Yoga Education, Sports, and Fitness. All together they will have a credit allocation of 6. Each student will have to take any three courses, each of 2-credit, from any three groups during Semesters 1, 2, & 4. Here one course from the Environmental Science group is compulsory except if the student takes a core course on Environmental Science.

- **Internship :**

All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

Students' Code of Conduct

Attendance

Regular attendance in all the classes is mandatory for the Students. Students having a minimum of 75% are declared as regular and are allowed to appear in Council and University exam. If a student has an attendance percentage below 75%, he/she shall be treated as non-collegiate. Moreover, a student failing to attend 60% of the total classes would be declared as dis-collegiate. If a student fails to attend classes for 25 days at a stretch from the date of commencement of classes, he/she will forfeit his/her seat.

Discipline among Students

Students are expected to maintain a high standard of discipline in the college campus. The college authority lays down certain rules and regulations, violation of which may make a student liable for disciplinary action. Any willful damage of college property would be treated as a serious offence and stern action will be taken in this regard.

College Uniform

Wearing of prescribed uniform in the college campus is **mandatory for each and every student**. A student breaking the uniform code would not be allowed to enter the college premises. It is also compulsory for each and every student to wear uniform during examinations.

College Identity Card

Each and every student of the college is issued a non-transferable identity card and it is expected that she/he carries it at all times inside the college premises. In case the card is lost or damaged, concerned authority must be informed immediately.

College Notice Board

Students are expected to grow the habit of reading the college notice boards regularly. Any notice that has to be circulated in the college through the notice boards must be approved by the college authority.

Ragging

Ragging in any form inside the college and hostel premises is strictly prohibited. Students indulging in ragging will be subjected to strong disciplinary action as per the directives of the Supreme Court/High Court.

Campus Cleanliness

It is considered to be the duty of each and every student to keep the college campus clean at all costs. Spitting, writing, and sticking anything on the walls in the college campus will be treated as a punishable offence.

Energy Conservation

In order to conserve energy, each and every student is expected to grow and practice the habit of switching off fans and lights when not in use.

Use of Mobile Phones

Use of mobile phone in the college campus is **strictly prohibited**. Students violating this rule would invite disciplinary action from the concerned authority.

Tobacco Chewing

Smoking or chewing of tobacco and paan in any form is strictly prohibited inside the campus.

Silent Zone

During teaching hours all areas around classrooms shall be treated as silent zones. The authority can take action against students who create disturbance during college teaching hours.

Use of Library

Students are expected to maintain discipline in the library and be careful in handling.

Parking Facility

It is compulsory for all students with two Wheelers to submit the copies of their Driving License and Registration Card to the college authority failing which they will not be permitted to avail the parking facility within the college premises.

Student Support Services

College Library

- The Sonapur College Library has been established with the aim of nurturing our students with more than twelve thousand textbooks, references, national and international journals, periodicals, leading newspapers, and magazines.
- Each student is issued two library cards for one academic session.
- Every year new collection of books in addition to references are maintained by the committed library staff in the fields of Commerce, Computer Science, Economics, Education, Geography, History, Literature, Mathematics, Philosophy, Theatre & Stage Craft, Tourism & Travel Management and Retail Management & IT.
- As a student friendly library, it facilitates easy online access to the above through these websites:
<http://www.austinlibrary.com:2048/login>, <http://ezproxy.reinhardt.edu:2048/login>

• Digitization of books, previous years' question papers immensely benefits every student.

• By making an additional payment of Rs 50 enables students of major courses to obtain two extra cards after the declaration of the result of the major selection test. The library is governed by certain rules and instructions which are notified in the library notice board from time to time.

• Book bank facility is an additional feature whereby, on filling an additional form, needy and deserving students are allowed to borrow books till the end of their academic session. Apart from the central library, different departments of the college also have their own departmental library which hugely benefits the students of the major courses.

• The Library has also implemented the initiatives of Ministry of Education, Govt. of India by forming the NDLI club among the students & faculties of the college.

The college invites and encourages students to take an active part in maintaining the discipline and decorum of the library and contribute to its smooth functioning.

N.B: Students have to return the borrowed library books before each semester exam for clearance.
